Students entering kindergarten, sixth, and ninth grades are all required to have a NEW CERTIFICATE OF HEALTH FORM on file at their local school in addition to up to date IMMUNIZATIONS. Health documentation forms must be turned into Twain's school office by June 9, 2017 for all presently enrolled students who will be entering kindergarten and sixth grade in September.

Healthy Tip of the Month

Being active as a family is a great way to reinforce positive healthy habits that can last a lifetime. You can play sports as a family; remember going for a walk, playing catch, swimming and riding bikes are also great ways to be active. Every bit adds up, and the health benefits increase as you spend more time being active.
