

This year our students had an opportunity to participate in several reading programs including Fall Into Reading, Pizza Hut's Book it and Great America's Read to Succeed. Thank you to all who participated and helped to make all of these reading programs a huge success.

Students who participated in the Great America Read to Succeed program will receive their Great America ticket by May 17th!

The last meeting for the 7th and 8th grade book clubs will be May 17th.

The school year may be coming to an end, but reading definitely is not!!

Reading does not stop just because the school year does! Please sign your children up at the Chicago Public Library for their Summer Reading Program. Each year, the public library offers an amazing program that rewards children with books and prizes, just for reading. This year's theme is "Become a Superhero This Summer: Stop the Evil Dr. Brain Drain!" So hurry to the public library to sign up and start reading!!
