We have been working on building our reading fluency. If your child is successful with tapping to blend words you can encourage them to “tap in their head” to help support their reading fluency!

Review at home:

Letters: ALL letters and digraphs 😊

Sight words: I, can, the, we, see, a, like, friend, to, and, go, you, my, new, out, be, are, work, he, with, is, little, she, was, because, all, his, her, for, have, said, want, here, me, this, what, how, many, has, play

Math: Count to 100, writing numbers to 20, comparing numbers using greater and less than, ways to make 5 and 10, solving addition and subtraction problems, decomposing teen numbers into tens and ones, counting to 100, identifying shapes

Homework:

- Math pages: 10.7-10.10
- Sight word practice: has, play
- Decodable Reading Passage and Questions
