Starting that date, families can open their GoCPS accounts and view the schools and programs to which students are eligible to apply, as well as "favorite" those programs in which they are interested. (Twain will have a parent workshop to help with the account activation process. (Information to follow soon)

Eligibility Data Letters

By the end of the month, Eligibility Data Letters will be sent to you with your eighth grader. Parents can identify specific actions on the form that they wish for the counselor to take on their behalf, such as submitting an application or accepting/declining offers and obtain information from central office. Please counselor for the form.
